Good afternoon,
Here is the latest update from PLT below in the chain. Also added are my comments from the NCRCC

- Local crowds on Wellington – nuisance issues but traffic still flowing
- First convoy currently arriving
- Many of the trucks are fractured in the general flow of traffic
- Sporadic traffic complaints about private motor vehicles throughout area, unk if associated or due to increased public vigilance
- Gatineau Police will be closing the Alexandra Bridge will be closed at 1800 hrs tonight due to weight concerns on of the group

- City partners have been of great assistance in managing issues related to parks, food trucks and other related matters

Russell
